#### FINANCIAL POLICY

#### **INSURANCE CONSULTATION:**

If your consultation involves <u>insurance</u>, please be prepared to pay the co-pay if applicable.

<u>If insurance is involved in your visit:</u> We will bill primary and secondary insurance companies. Please provide us with complete and accurate insurance information, as well as any changes of address, telephone number or employer. If your plan requires referral from your primary care physician, we ask that <u>you</u> phone your primary care physician prior to your appointment for the necessary authorization. Lack of referral could result in patient responsibility for service requested that day. Your insurance contract is between you and your insurance company. You are ultimately responsible for payment of your account. Note: If we are using insurance for your consultation, your bill will be determined by your insurance company after being submitted by our office. The \$200 consultation fee does not apply to insurance visits. Charges to insurance will be billed at a different rate.

#### **COSMETIC CONSULTATION:**

We require a \$200 consultation fee for your first office visit with Dr. Burgess. **No insurance involved.** \$100 of this fee will apply towards any cosmetic surgery or in-office procedure provided within one year of the consultation date. If Dr. Burgess agrees that you are an acceptable candidate for surgery, you will be presented with a cosmetic price quote at the end of your consultation. The **surgery fees for cosmetic procedures** include Dr. Burgess' fee, hospital operative room fees, anesthesiology fees, and any miscellaneous items such as implants/garments necessary for surgery. It will also include your pre-operative visit before surgery and office follow-up visits for one year following surgery. Quoted fees are honored for 90 days from the day of quotation. There is a \$500.00 non-refundable deposit due at the time of scheduling surgery that will be applied towards the surgeon's fee.

- \*Please see price quote given at your consultation for more information.
- \*Additional consultations after one year will require a \$200 consultation fee.

If your consultation is scheduled with a registered nurse or advanced medical aesthetician, your consultation is complimentary. These providers will be able to provide recommendations for our non-surgical options. Should they feel you are a better candidate for surgery, we can schedule a consultation with Dr. Burgess with a \$200 fee.

I have read, understand and agree to this	s financial policy.
